Charges for this Fund

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest

Entry Charge: 5% (This is the maximum that might be taken out of your money before it is invested) Exit Charge: No Charge Charges taken from the Fund over a year Ongoing charges: 0.08% Charges taken from the Fund under certain specific conditions Performance Fee: No Charge The entry and exit charges are maximum figures and in some cases you might pay less. Please refer to your financial adviser for more details.

The ongoing charges figure is based on expenses over a financial year for the year ending 2016. This figure may vary from year to year. It excludes transaction costs. For fixed income securities, there are no explicit transaction costs; the implicit costs are captured in the bid/ask spread from the counterparties of the securities in question.

For more information about charges, please see the section of the Fund's prospectus entitled "Fees and Expenses", and pages 7 and 8 of the Supplement which are available from Citibank Europe plc (the Administrator).

- Past Performance is not necessarily an indicator of future returns
- Past performance does not include entry and exit charges
- The Fund was approved by the Central Bank on 18 November 2011 and launched on 21 November 2011.
- Past performance shall be calculated in Euro.

Note: The Fund's benchmark changed from the Merrill Lynch EMU Direct Governments, AAA Rated 1-3 Years Index (EG11) to the Merrill Lynch EMU Direct Governments, AAA Rated, 1-5 Years Index (EG1V) as of December 21, 2012.
